## **COVID-19 Policy and Protocol**

Fishes and Loaves Vocational and Literacy Center (FLVLC) has created a plan to assist families and staff as we navigate operating our programs during the COVID-19 pandemic. While no public entity can ensure the absence of COVID-19 in its buildings and in its activities, the FLVLC is working diligently to reduce the impact of COVID-19 (as feasible).

The procedures are to protect the well-being of students and staff, to establish a sense of normalcy, and to provide instruction and support services for students. The guidelines referenced in this plan are based upon guidance from the Centers for Disease Control and Prevention (CDC) and the Illinois Department of Public Health (IDPH). This plan is fluid as the situation with COVID-19 changes from day to day. Regular updates will be made to this plan based on information provided by the CDC, IDPH, and applicable federal, state and local agencies.

**STUDENT SCREENING AND PROTOCOLS:** To help prevent the spread of COVID-19 and reduce the potential risk of exposure to employees and students, students will participate in a touchless temperature reading each morning before entering the building.

Students that have a fever of 100.4 or higher will immediately be sent home.

If prior to a class or meeting, a student feels ill or that they may have come in contact with COVID-19, they must contact the staff immediately and re-schedule their appointment.

In order to minimize exposure to COVID-19, PPE may be needed to prevent certain exposures. PPE can include:

**Masks/Facial Coverings:** Face masks/facial coverings are an important part of employee and student protection, as well as personal hygiene, social distancing, and frequent cleaning efforts.

FACE MASKS OR DISPOSABLE MASKS FROM HOME WILL BE ALLOWED BUT MUST MEET CURRENT DRESS CODE POLICY (specifically as it relates to slogans), MUST NOT BE CONTROVERSIAL, AND MUST NOT BE INAPPROPRIATE.

Each day the facility and classrooms will be cleaned and sanitized.

### **Admission Policies and Procedures**

The admission process at FLVC is selective. Each applicant must submit a complete application to be considered. Generally, applicants for the training center must demonstrate that they will be able to benefit from the vocational training programs and/or adult continuing education classes in which they are enrolled. The specific goal of the vocational training programs is to prepare applicants for employment or to enhance their employability. Job placement is the desired outcome of all programs, and job placement services are available free of charge to applicants. Specific requirements and academic prerequisites for individual courses and programs are described in other sections of this catalog. It is the policy of FLVC not to discriminate on the basis of gender, sexual preference, age, handicap, race, color, religion, marital status, or national and ethnic origin in its educational programs, admissions policies, employment policies, or other school administered programs. The confidentiality of student academic records is maintained in accordance with the Family Educational Right and Privacy Act of 1974, as amended.
